Unions.

Reservation of the State militia for process of national defense only, and a employment of a different body to it the civil authorities in time of the civil authorities in time of the civil authorities in time of ed, is the suggestion made by Coled E. M. Weaver, chief of the Division of Militia Affairs, in his annual port to the Secretary of War. He es not go so far as to recommend the advantage of the master. The reason for such a discussion lies as gottlon of the report of Colonel eaver, which touches the militia as ery point. He begins by saying that to day is the upfriendly attitude of or unions toward the organized milita. This sentiment, he continues, excluding members of the organized milital from members of the organized milita
